**Subject:** Calls from federal contacts in Glen Canyon and Grand Canyon

I am fwding 2 calls from Glen Canyon and Grand Canyon re: water quality and risk. I indicated someone would be in contact soon.

Rich 303-312-6654

Martin Stevens

Glen Canyon NRA

Personal Phone/Ex. 6

Wants to know if we are doing baseline sampling of Lake Powell near San Juan arm to assess any impacts from plume and if we can coordinate. Also wants to know about water intake near Lees Ferry and if it is a concern.

Kirby-Lynn Shedlowski

Acting Public Affairs Officer

Grand Canyon National Park

928-638-7958 office

Personal Phone/Ex. 6 Cell

Wants to know about any messages to rafters on Colorado in Grand Canyon.
